

Replacement service –Southern Tiare V.146 to Norfolk Island

Friday, 28 July 2017

Dear Valued Customers,

We announced yesterday, that due to the repair work required to the southern Tiare in Auckland, we would replace the Southern Tiare V.146 to the Southern Trader V.1406, which would make an inducement call to Norfolk Island and route for Papeete.

The Norfolk Island trade is a break-bulk service as the local facilities are not able to accommodate containerised cargo. This does provide some operational challenges and so after further review of the cargo mix for both ports, we will now be calling Papeete first as per the Southern Trader's normal route.

We will there be maintaining our initial schedule commitment to the Tahiti trade and then call into Norfolk on her southbound voyage back to Auckland.

The revised schedule will be as per below.

Vessel	Voy	Napier	Auckland	Papeete	Norfolk
Southern Trader	1406	N/A	03-04/08	10-11/08	17-19/08
Southern Trader	1407	N/A	21-22/08	28-29/08	N/A
Southern Tiare	147	08-08/09	10-11/09	N/A	13-14/09

Should you have any questions please don't hesitate to contact our Customer Service Team on au.cs@neptunepacific.com
