FOR LEGENDARY SERVICE

**NOTICE TO SHIPPERS  
11 JULY 2016**

**VERIFIED GROSS MASS  
PRE-ADVICE WITH PORTS OF AUCKLAND / PORT OF TAURANGA**

Having completed our first week of dealing with the new VGM requirements we would like to thank you all for your efforts and assistance.

It has been a major learning curve for all parties concerned however there are a few issues which need to be sorted in relation to deliveries at the Port of Auckland.

All containers for Capitaine Wallis and Capitaine Cook need to be pre-advised in the PortConnect system <https://www.portconnect.co.nz/>.

Every road carrier within the Auckland / Waikato area will be familiar with this procedure as this is mandatory at Fergusson terminal and Tauranga terminals.

Please note that if the transport carrier does not complete the Pre-advice function they will be charged by POAL to enter this information into their system. The charge being levied by POAL is currently NZ\$27.77 per container which will be charged to the road carrier.

We thank you again for your assistance with this matter.

Should you have any queries or issues please contact us.

Regards
